

DIPLOMAT

Timber Planter Walling

PRICE LIST E0116

The mark of responsible forestry

Prices exclude:- Delivery, off loading and VAT, which will be added at the prevailing rate.

Prices include:- Supplied in sections for bolting together on site.

Guarantee:- All planter walling is supplied with a 15 year guarantee.

FSC® certified treated softwood:- Joinery quality European redwood, treated for a minimum 30 years in-ground contact.

FSC® certified iroko hardwood:- Iroko hardwood from sustainable sources.

Life expectancy in excess of 40 years.

Standard finish:- Timber will be supplied in a natural finish.

Optional finish at extra cost:- Timber can be supplied with 3 coats of Ronseal quick drying, water based stain.

Stain colour:- The standard stain colour will be teak.

Optional colours:- Other colours are available upon request.

Planting shapes:- Diplomat planter walling can be used to create a wide range of planting shapes and sizes. Shapes can be square, rectangular, triangular, hexagonal, octagonal and any other irregular straight sided shapes.

Roof Garden Planting:- Diplomat planter walling can be used to create roof garden planting areas helping to spread the loading across a larger area.

Long runs of planting:- Diplomat planter walling can be used to create long runs of planting.

Technical information:- For advise and technical information on planter walling, please contact our Sales Office on 01509 815335.
